

Peter: His Life & Letters

A Living Hope

Read the following verses: 1 Peter 1:3-9, 13, 21

Examining the Text:

1. What are the two (2) main results of being born again in verses 3-4?
2. In verses 3-9 how does Peter describe the three Christian qualities of faith, hope and love?
3. Think about your life: family, career, health, possessions, & relationships. Which of these are imperishable, undefiled and or unfading?

Digging Deeper:

1. Is Peter being a little extreme in saying we should set our hope “fully” (entirely, completely, perfectly) in the grace? Isn’t it more reasonable to spread out our hope?

The Heart of the Matter:

1. Why are we sometimes disappointed to the point of feeling devastated when things don’t go the way we expected? What does this tell us about where our hope has been set?
