

Jesus Is...

The Life-Changer

Read the following verses: John 2:1-12

Examining the Text:

1. Who were the different people in attendance, either mentioned or implied in the verses about the wedding at Cana?
2. Out of the people at the wedding, which ones knew about Jesus changing water into wine?
3. Was the sign done publically or secretly? Why do you think it was done in this manner? What principle can be drawn from this fact?

Digging Deeper:

1. John never uses the term miracle, but uses the word sign. What is the difference between a miracle and a sign?

The Heart of the Matter:

1. Is there something in you that Jesus has changed into wine?
2. Is there something in you that you would like Jesus to change in you?
3. Pray for one another's needs.
