

Jesus Is...

Worthy

Read the following verses: John 11:45-12:11

Examining the Text:

1. What was the issue that the council was wrestling with? What was their concern?
2. When Caiaphas gave his decision, what do you think he meant? Do you think he intended to prophecy even though John said he prophesied?
3. How did John understand Caiaphas' words? And, how did he extend them?
4. What was Mary's action?
5. What was Jesus' response to Mary's action?
6. What was Judas' response to Mary's action?

Digging Deeper:

1. Consider Lazarus, Martha & Mary and their actions in John 12. Although they are unified in their love to Jesus, each one is distinct in the method of loving Him. Discuss how you this is seen in your life and in the lives of others you know.

The Heart of the Matter:

1. What is your experience of pouring out your love and appreciation for Jesus on Him today?
2. Is the environment around you always favourable to you openly loving on Jesus? Have you found that the voices sometimes win and you refrain from openly loving on Jesus?
