

Jesus Is...

The Light of the World

Read the following verses: John 8:12-59

Examining the Text:

1. In John 8:30-31 “many believed” in Jesus. Yet according to the rest of the narrative, these same people were seeking to kill Jesus (v. 37), and Jesus had strong words for them (v. 44). Some suggest these people were not really genuine believers. What do you think? Discuss among your group how this was covered in Sunday’s message.
2. Consider John 8:58-59 in light of Exodus 3:14. Do you see why the Jews wanted to stone Jesus?

Digging Deeper:

1. In this section of verses pick out the important “I AM” statements. What is it that Jesus is claiming in each incident?

The Heart of the Matter:

1. How is the Lord leading you as His disciple? What is He speaking to you to lead you further in your Christian journey?
2. Are there things in you that are enslaving you? What frees you from these enslaving things?
