

Jesus Is...

The Sight-Giver

Read the following verses: John 9:1-41

Examining the Text:

1. What lessons can we learn from the disciples' questions on John 9:1-3? Read Luke 13:1-4 also for more help.
2. Based upon John 9, how do you understand Jesus' conclusion in verses 39 & 41? Who are those who "do not see" and those who "do see"?

Digging Deeper:

1. Track the progress of the man's realization of Jesus in John 9.

The Heart of the Matter:

1. The Pharisees self-assured stance is more than evident in John 9. They felt they knew everything and were clear about all things related to God. But that is the reason that Jesus would say they were blind. Are we like the Pharisees at times? If so, how are we saved from being so?
