

Peter: His Life & Letters

Fishers of Men

Read the following verses: Acts 1:1-8; 2:1-24

Examining the Text:

1. Read Luke 24:46-49. What did Jesus tell His disciples to do? What else did Jesus tell His disciples to do before they went out for Him?
2. What link does Peter make between what happened to Jesus and the outpouring of the Spirit?
3. How did the people respond to what Peter spoke? What further instructions did Peter give to the convicted people?

Digging Deeper:

1. Read Acts 2:17-21. From this prophecy of Joel quoted by Peter, what was fulfilled on the Day of Pentecost?

The Heart of the Matter:

1. When you have some urgings from the Lord to “go & do” for Him, have you had the experience of disqualifying yourself (“I’m not the one to go”, “God should use someone else”)?
2. Jesus trusted the Spirit to carry on working through the disciples after He had ascended. How should this help you to be confident to work for God?
