

Peter: His Life & Letters

Called To Follow Jesus

Read the following verses: John 1:35-42 & Luke 5:1-11

Examining the Text:

1. What things do we learn about Simon in John 1:35-42?
2. Based upon Luke 5:1-11, what additional things do we learn about Simon?
3. Read Mark 1:29-31. In this narrative what else do we find out about Simon?
4. There are two declarations made in John 1. What would Simon have known through them?

Digging Deeper:

1. Jesus called Simon to something new. In his case it was for him to become a fisher of men. Work together to think of instances when he is seen fishing for men.

The Heart of the Matter:

1. Have you realized that the Lord wants to change you?
2. How has the Lord changed the trajectory of your life?
