Sermon Summary:

The world situation and much of humanity is in darkness. But God loves the world and sent Jesus to be the light of the world. He came to bring light, life, love, and joy. However, people need to see that all these things are only found in Jesus. We pray that at least some people will come to know Jesus as light in their life at this time of year.

Discussion:

1. Throughout history people who are in darkness have searched in places to understand their situation or solve their problems. What and where have people looked for hope in their situation only to find hope is not there?
2. Why do people repeatedly look unsuccessfully to others for hope?
3. Why do people not want to come to Jesus for light and hope?
4. What are the ways that people you know have come to Jesus?
5. In what ways can be turn people to Jesus who is the light?
